DRAFT Statute posted 9/30/13

Programs possibly affected by this legislation:

Any Executive Branch department or program

Summary of Proposed Legislation

This statute was created to clearly define the monthly written reports of the Chair's oversight responsibility of Tribal operations to the Tribal Council.

Scope of this Statement

Total year costs

Review of statements from other departments that may be impacted by this statute.

Dexter McNamara veto statement, dated 7/23/13, of previously submitted Executive Oversight Report and Directives and Mandates for Requested Information.

Summary of financial impact

The net cost to the tribe may be \$30,057.53 per year.

Assuming the claims in former Chairman, Dexter McNamara, veto statement are correct and the reporting requirements will create "significant additional paperwork", I have estimated the cost of an additional 0.5 FTE for an Administrative Assistant.
